

Part 1 – Agency Profile

Agency Overview

Idaho's participation in the Western Interstate Commission for Higher Education (WICHE) Professional Student Exchange Program (PSEP) helps Idaho residents to enroll in out-of-state professional programs. Idaho currently participates for the field of Optometry. Idaho students accepted to this program benefit through reduced tuition arrangements with participating professional schools. Idaho does not currently offer professional education in the field of Optometry. This program benefits the population of Idaho by providing ready access to high quality professionals in the field of optometry.

Core Functions/Idaho Code

Idaho Code 33-3601. Interstate compact for western regional cooperation in higher education.

Idaho currently assists two new students each year and serves a total of 8 students at any one time.
